

DRAFT STRATEGIC GOALS FOR THE UNIVERSITY LIBRARIES (2011-2014)

1. Promote and advocate for universal access to the world's knowledge (direct, instant, convenient, easy, and ubiquitous)
2. Support learning and research by providing leadership, authentic and responsive services, and resources that unite our campuses
3. Bring distinction to the university and libraries through innovative library research, services, and spaces
4. Contribute to the university's place as the state university of NJ, supporting and enhancing the state and its residents.
5. Play a compelling and collaborative role in the development of 21st century Higher Education
