UNIVERSITY LIBRARY POLICY WITH RESPECT TO QUALIFICATIONS FOR APPOINTMENT AT LIBRARIAN RANK

INTRODUCTION

According to the University Policy Library the "University Libraries support and enrich the instructional, research, and public service missions of the University" (10.1.4). Since academic librarians both participate in and give support to the educational and research programs at Rutgers, they possess rank equivalency with the faculty, thus guaranteeing “equivalence in salary, equivalence in tenure, equivalence in academic rights and responsibilities, comparable standards and procedures for appointment, reappointment, promotion and granting of tenure, and guarantees of academic freedom and due process” (10.1.4).
