BELLEVUE: Three Centuries of Medicine and Mayhem at America's Most Storied Hospital

David Oshinsky, PhD

Director, Division of
Medical Humanities and
Professor of History
New York University School of Medicine

Winner of the 2006 Pulitzer Prize
in History for
"Polio: An American Story"

Sponsored by the Weisse Endowment for the History of Medicine; the Rutgers, New Jersey Medical School's Department of Medicine; Rutgers University Libraries; and The Center for Continuing and Outreach Education at Rutgers Biomedical and Health Sciences. Rutgers, The State University of New Jersey is accredited by the Accredited Council for Continuing Medical Education to provide continuing medical education for physicians. Rutgers, the State University of New Jersey designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Conference Objectives:

After attending this lecture participants will be able to:

1. Appreciate Bellevue Hospital's key place in American hospital history and popular culture.
2. Provide examples of evolving clinical research ethics in the 20th century.
3. Understand modern challenges facing large urban public hospitals.
