

How to download EndNote to Windows

- 1) Go To <http://www.libraries.rutgers.edu/endnote>
- 2) Click “EndNote X8 for Windows”

EndNote

EndNote is a citation management tool. The University Libraries are now license staff.

To download EndNote, please choose any of the following versions:

[EndNote X7.7 for Windows](#)

[EndNote X8 for Windows](#)

[Tips for Installations](#)

[EndNote X7.7 for Mac \(Warning: EndN](#)

[EndNote X8 for Mac running Sierra. X](#)

[EndNote X8 for Mac](#)

- 3) Click “NetID and Password”

Login Required

LOGIN OPTIONS

NetID and Password

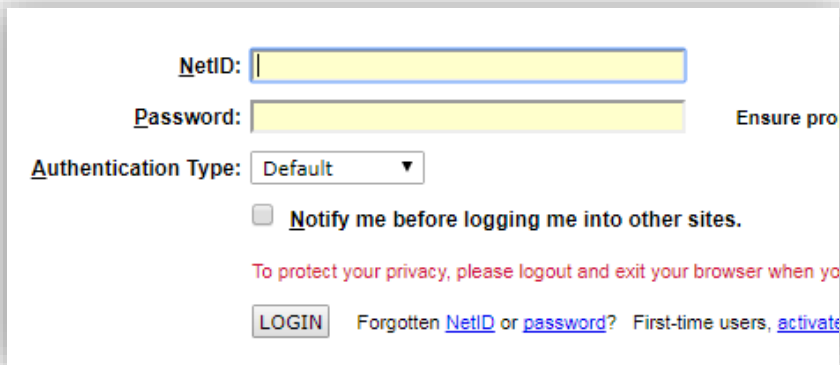

Use this if you are a current Rutgers student, faculty or staff member with a NetID.

Library Barcode and PIN

Use this if you are not eligible for a Rutgers NetID but are eligible to access restricted library resources.

[How do I get my PIN?](#)

4) Enter NetID and Password (**IMPORTANT:** ZIP file will download automatically.)
